

ENDLESS OPPORTUNITIES

EO is a Jewish community-wide social & education program sponsored by Temples De Hirsch Sinai & B'nai Torah, Jewish Family Service and Congregations Beth Shalom & Kol Ami.

Taking Care of Our Veterans: The Patriotic Thing To Do

How well do we understand the challenges of veterans as members of our community? Why is PTSD so prevalent? Join us on Veterans Day to discuss this and more with Dr. Theresa Cheng, a Clinical Assistant Professor at the University of Washington, School of Dentistry. She founded a local non-profit, Everyone for Veterans, that began with free dental care for combat veterans and has become a movement across the country connecting people and businesses to America's vets. This event will be both in person at Temple's Seattle campus and virtual.

Understanding Power & Control in Relationships

This workshop will be presented by Kim Holland, Program Manager for Project DVORA at Jewish Family Service, and Monte Jewell, Project DVORA's Attorney. We will talk about domestic violence, as well as what power and control dynamics can look like in a healthy relationship. We will also discuss ways in which you can be an advocate in your own networks and community. One in four women experiences domestic violence. This is a widespread issue, but with your help, we can create safer communities.
